SUBJECT: MEDICAL MARIJUANA POLICY

Purpose

The purpose of the Medical Marijuana Policy is to provide rules for Strong Family Health Center supporting or funding the prescribing, recommending, possessing and distributing marijuana or it's derivatives for medical and other uses.

Policy

Strong Family Health Center is an Indian Health Service (IHS) funded program. IHS is a federally funded program. Federal law specifically prohibits the use of marijuana or derivatives. As such SFHC will fully adhere and comply with Federal law by not supporting or funding a client in the transportation to or from appointments or dispensaries of marijuana. Nor will SFHC incur any costs associated with the prescribing, recommending, possessing, processing, manufacturing, cultivating or distribution of marijuana for medical or any other purposes.

Clients will not bring on SFHC property nor will they or guests possess marijuana or any derivative of during transportation in SFHC vehicles or by a SFHC staff in a private vehicle. Violations of this policy will result in the loss of transportation privileges.
