

Dear Parents,

The tutoring program for this year is a similar schedule as last year. On days that our schedule allows, we will be able to be in class with your child. The schedule will have to accommodate all native students at that site. We will make every effort to spend as much time with your child as possible.

After school tutoring will be available after school until 5:00 p.m. for students on select days, then we will begin transporting student's home. We will pick up elementary and middle school children at their designated site. Elementary students need to meet us at the big tree by the office. Middle school students will need to look for the vans as parking on 4th street is limited. Modoc High students will need to walk to SFHC after school. We will then transport your child to SFHC for homework assistance and we will provide a snack. Your child will be home anywhere between 5:00-5:45 p.m. depending on the amount of students that need transportation and the diverse location of all the students. Parents are always welcome to pick their children up at the center. **If you know you will NOT be home between 5-6 p.m. Please arrange to pick your child up from the Center or call us with the alternate drop off location by 4:30 p.m.**

**REMINDER:** We are not able to drop students off before 5 pm at non-SFHC related activities (sports, RISE, parent meetings, etc).

After school tutoring is as follows:

Alturas Elementary (AES) K- 2nd grade - **MONDAY**

Alturas Elementary (AES) 3- 5th grade- **TUESDAY**

Modoc Middle School & Modoc High School/Warner/ High Desert- **WEDNESDAY & THURSDAY**

Strong Families is closed on Friday's

If you have any questions about this schedule or the tutoring program, please feel free to contact Rosa George or Melissa Channell at: (530) 233-4591.

Sincerely,

---
